

B. A. Caulkett Ltd

Specialists in the Design and Manufacture
of Loading Shovel Attachments

The UK's Number 1 Manufacturer of High Tip Buckets

www.bacaulkett.com

 **MADE IN BRITAIN**

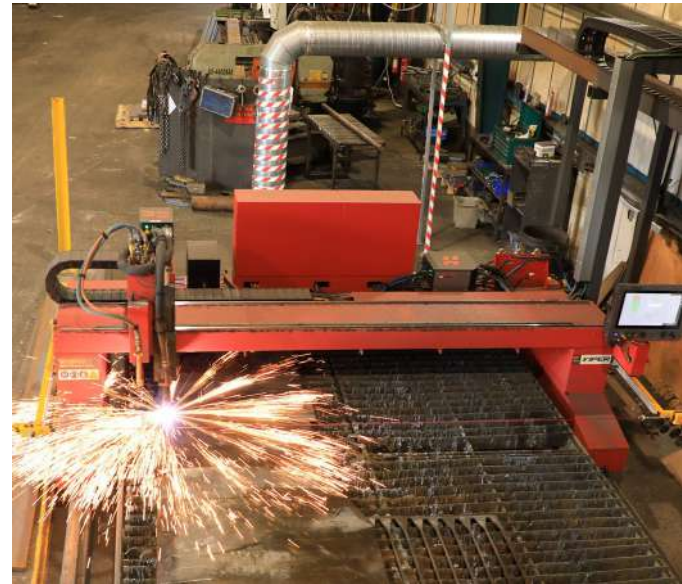

Who We Are

B. A. Caulkett Ltd is a long established UK-based, family-run business, with over 45 years' experience in the design and manufacture of high quality re-handling attachments for loading shovels in a variety of industries and applications. We offer a full range of high quality attachments for wheeled loaders under the BAC brand.

Our products are designed and manufactured to our customers' requirements and their specific application using the latest CAD software. Manufactured using premium materials and proven in demanding applications throughout the UK.

Providing buckets, servicing and repair throughout the whole of the UK. With its modern facilities and team of experienced engineers coded to BS4872 standards, BAC is able to provide individual and bulk volumes of attachments.

Ultra High Tip

High Tip
